

Dear Hiring Manager,

With 10 years of full-stack web development experience for global businesses, I offer the technical expertise to companies like 909 Music, InkMash, Kompoz, seeking for their various development projects. I have a proven track record of successfully leading web development projects for clients in diverse industries including technology, manufacturing, pharmaceutical, hospitality, F&B, retail and financial services.

I'm known for creating robust, high-speed web and mobile apps, my web development work has helped grow revenues by 11-18%, accelerate customer acquisition, increase web traffic and deliver an industry-leading competitive advantage.

I am the proud father of a daughter, who plays competitive badminton but suffers from Celiac disease and she is my motivation to pursue professional opportunities outside of India in a country that will allow her to be healthier and supportive of her badminton sports goals.

Attached is my résumé, which provides details of the projects I have worked and examples of skills.

- **Web development** using HTML5, CSS3, JavaScript, jQuery, PHP and MySQL
- **API development** for various mobile and web applications.
- Audio and video player development for various platforms.
- Experience with Amazon Web Services like EC2, SES, S3, Route 53 etc.
- Translation of wireframes and rapid prototyping tools to accurate, working code
- Design of interactive and mobile apps in an agile development environment
- UX and UI design projects improving load time, site stickiness and user engagement
- SEO initiatives elevating rankings on Google and other search engines to a better position.

As a web developer focused on customer satisfaction, I manage all aspects of web development, from concept to requirements definition, design, development, launch, maintenance and user support. I enjoy the client-facing role and working closely with team members to produce high-quality deliverables.

I look forward to learning more about the web developer position. If my skills match your requirements, please contact me at +91-9000937320, [bitcube.tech](https://bitcube.tech) (Skype) or jiten-der.ind@gmail.com to schedule a meeting. Thank you.
